COVID-19 Regulations

We fervently hope that the COVID-19 pandemic will have subsided by May 2022. Nevertheless, please be advised that NGS will adhere to regulations issued by the [California Department of Public Health](#) and [Sacramento County Order of the Health Officer](#).

The SAFE Credit Union Convention Center has GBAC Star Facility Certification, which means it meets “the most stringent protocols for cleaning, disinfection, and infectious disease prevention.” The Convention Center also abides by state and county protocols.

All conference participants—including sponsors, guest speakers, lecturers, exhibitors, and conference attendees—will be required to comply with the laws, rules, regulations, orders, and ordinances required at the time of the conference to reduce the risk of transmission of COVID-19. NGS will apprise all participants of the required protocols and procedures in advance of the conference.
